## **Marcellus M. Bowles**

Greetings,

I'm 32-year-old with a great work ethic and a drive to be my best. I know this would be a great opportunity for me to grow as a person and professional. I am easy to work with and stay calm in high pressured situations & workloads. I work hard at maintaining a can-do attitude, staying humble, and being a team player. I am currently a student at Full Sail University. I have a flexible school schedule and am open to working various shifts. I have a diverse work history from my service in the Marine Corp that includes hands on skills as well as the education I have received in cybersecurity. I am willing to learn and grow and would make an excellent addition to your team.

Thank you! for your time and consideration.
